Re: Second Amended Order Granting Plaintiffs' Motion for Default Judgment and Permanent Injunction against Defendants Create New Technology (HK) Limited and Hua Yang International Technology Ltd.,
China Central Television, et al. v. Create New Technology HK Limited, et al.,
Federal District Court for the C.D. Cal. Civil Action No. 15-cv-01869 (SVW)(AJW)

Dear Sir or Madam:

We are litigation counsel for China Central Television, China International Communications Co., Ltd., TVB Holdings (USA), Inc., and DISH Network L.L.C. ("Plaintiffs") in a copyright infringement lawsuit entitled *China Central Television, et al. v. Create New Technology (HK) Limited, et al.*, 15-cv-01869 (the "TVpad Copyright Infringement Lawsuit"). We are writing to place you on notice of a court order, the Second Amended Order Granting Plaintiffs' Motion for Default Judgment and Permanent Injunction against Defendants Create New Technology (HK) Limited and Hua Yang International Technology Ltd. ("Injunction"), in the TVpad Copyright Infringement Lawsuit.

Pursuant to the terms of the Injunction, we request that you disable accounts and content hosting services utilized by the Enjoined Parties identified in the Injunction.

The TVpad Copyright Infringement Lawsuit concerns massive infringement by Create New Technology (HK) Limited ("CNT"), which manufactures the TVpad set-top box, of our clients' exclusive rights in the United States to publicly perform and distribute copyrighted television programming that originally airs on CCTV and TVB television channels in China and Hong Kong. Specifically, applications on the TVpad device (the "Infringing TVpad Apps") illegally stream copyrighted CCTV and TVB television programs from China to TVpad users in the United States. CNT has now created a re-branded version of the TVpad called the blueTV,

and applications on this new device now illegally stream copyrighted CCTV and TVB television programs from China to users of the BlueTV in the United States. With their infringing apps, TVpad, blueTV, and any similar apps and devices (“Comparable Systems”) are all subject to the Injunction.

The Injunction is enclosed with this letter as Exhibit 1.¹ The Injunction states as follows:

“Third parties providing web, server and file hosting services, data center and colocation services, and primary and backup storage services (including but not limited to cloud storage services) used in connection with the activities enjoined under Paragraphs 9, 10 and 13 hereinabove, including but not limited to the third parties providing hosting services for the Internet servers identified in **Exhibit C** hereto (including but not limited to servers providing streaming video, application files, TVpad Store functionality, and TVpad Device initialization, operation and authentication) and who receive actual notice of this Order, are immediately and permanently enjoined from providing such hosting services to (i) any Enjoined Parties in connection with the activities enjoined under Paragraphs 9, 10 and 13 hereinabove; (ii) any server, IP address, domain name or website used in conjunction with the TVpad Device, Infringing TVpad Apps or any Comparable System; and (iii) the TVpad Websites.

Third parties providing services used in connection with the activities enjoined under Paragraphs 9, 10 and 13 hereinabove, including but not limited to back-end service providers, service providers routing traffic or providing bandwidth, content delivery networks and domain name server systems (including but not limited to CloudFlare and DNSPod), search-based online advertising services (such as through paid inclusion, paid search results, sponsored search results, sponsored links, and Internet keyword advertising), domain name registration privacy protection services, providers of social media services (including but not limited to Facebook and Twitter), user generated and online content services (including but not limited to YouTube) and data security services (including but not limited to denial-of-service attack prevention, firewall and proxy services), who receive actual notice of this Order are permanently enjoined from providing such services to: (i) any Enjoined Parties in connection with the activities enjoined under Paragraphs 9, 10 and 13 hereinabove; (ii) any server, IP address, domain name or website used in conjunction with the TVpad Device, Infringing TVpad Apps or any Comparable System; and (iii) the TVpad Websites.”

¹ Exhibit A to the Permanent Injunction, comprised of Plaintiffs' copyright registrations, is included only in part due to large file size. We can provide the full Exhibit A in a series of emails if you would like.

Injunction, pp. 9–10, ¶¶ 16–17. Plaintiffs have ascertained that the IP addresses listed in Exhibit 2 to this letter, for which you are host, are being used by Enjoined Parties in connection with enjoined activities.

Accordingly, pursuant to the Injunction, please promptly cease providing hosting services to the Enjoined Parties in connection with their infringing activities. Specifically, the Injunction requires that you immediately stop providing hosting services to any and all accounts identified by IP address and date of detection in Exhibit 2, and that you immediately stop providing hosting services to any other accounts held by Enjoined Parties that are used for their infringing activities. Please confirm once you have taken these steps. Please do not hesitate to contact us to discuss if you have any questions. Thank you for your cooperation.
